The screenshot shows a web interface for the UFC 223 Style Guide. On the left, a navigation menu is open, showing a folder structure under '039662 223 SG PPV'. The folders listed are: Artwork Elements, Endpage, Guide Ads, Logos, Posters, and Web. To the right of the menu are three vertical buttons: Search, Browse, and Facets. Above the main content area is a red horizontal bar with three options: 'Add to Basket', 'Download', and 'Options'. The main content area displays a dark-themed poster for the event 'FERGUSON *vs* KHABIB' and 'NAMAJUNAS *vs* JOANNA 2'. The poster features the UFC 223 logo at the top, the event title in large white letters, the subtitle 'STYLE + EXECUTION GUIDELINES' below it, and the date and time 'APR 7 SATURDAY ON PPV' in a white box at the bottom right.
